NEBOSH Certificate in Environmental Management

The NEBOSH Environmental Management (EMC) is designed for managers, supervisors and employees, who have responsibility for managing environment issues as part of their day-to-day duties. The course will benefit companies seeking to implement effective environmental management systems and is relevant to all industry sectors.

The EMC has been accredited and credit rated by the Scottish Qualifications Authority (SQA) Accreditation. It sits in the Scottish Credit and Qualifications Framework (SCQF) at SCQF Level 6 with 6 SCQF credit points. SCQF Level 6 is comparable to RQF/CQFW Level 3 in England, Wales, and Northern Ireland.

Entry Qualifications

No formal qualifications are required but candidates must have a reasonable standard of written English.

Course Content

Environmental Certificate syllabus is suitable for both UK and international candidates. The syllabus covers the practical issues of managing environmental risk and takes a risk management approach based on the best practice and international industry standards, including:

- Environmental management systems and impact assessments
- Sources and use of energy and energy efficiency
- Control of emissions to air, land and water
- Control of environmental noise
- Planning for and dealing with environmental emergencies.

Distance learning programme

ATM Safety & Environment runs a distance learning programme. Course materials consist of printed study notes and coursework which students are encouraged to complete and submit to ATM for marking by post or email. The coursework does not count towards the award.

Assessments

Unit EMC1, Environmental Management, is assessed by an open book assessment, where candidates are given 24 hours to review a real-life scenario and answer theoretical and practical questions on environmental management. The assessment can be carried out in your own home or workspace.

Unit EMC2, assessing environmental aspects and associated impacts, is a practical assessment carried out in your own workplace. Candidates are required to assess environmental aspects and impacts of their chosen workplace.

Enrolment closing date	EMC1	EMC2 Submission
15 January 2024	Wednesday 6 March 2024	March 2024
15 April 2024	Wednesday 5 June 2024	June 2024

Course Fees

The course fee is £400. The course fee includes support for a period of 6 months, so we expect candidates to sit the exam within two standard sitting dates from enrolment. The examination fees are £170.

Enrolment

Please complete the application form on the next page and return to ATM Safety & Environment.

DISCOUNTS

Discount will be considered for multiple enrolments where course materials are dispatched as one consignment. Please ask for a quotation.

PAYMENT

The application form should be returned with a cheque made payable to ATM Safety & Environment or sent with an official purchase order.

Payments may also be made by electronic transfer. Please contact us for bank details.

Payments can be made by most debit/credit cards on line (www.atmsafety.uk.org).

Payment by instalment may be acceptable. Please contact us to discuss.

CANCELLATIONS

No cancellations will be accepted, or refunds given once an order has been placed.

NEBOSH FEES

The examination fees quoted in this leaflet are valid to 31 March 2024. We reserve the right to increase exam registration fees in line with any increase imposed by NEBOSH after that date.

DISPATCH OF CERTIFICATES AND PARCHMENTS

Certificates are sent on completion on the whole qualification by Royal Mail tracked service in the UK and Royal Mail International SignedFor service to addresses outside the UK. For candidates requiring their certificates sending by courier on completion of the course, rather than Royal Mail International SignedFor, there will be an additional fee.
